Quiver holder > **W x D x H**
147 x 150 x 336 mm

Profile roll holder > **W x D x H**
352 x 150 x 305 mm

A product in its emphasis on form and function, manufacturing quality and fine design. This versatile system lets users personalise their choice of elements and add to them as required. The functional elements are simply hung onto the rail. It's easy to move them just where you want them. One highlight is the 3-level roll holder. A patented device lets users tear off cling film smoothly. This is just one example of a wealth of practical, patented inventions.
