OPUB SINGAPORE'S NATIONAL WATER AGENCY

Actual water consumption may vary from test results. Compare all models at www.pwb.gov.sg

arwa-top - Thanks to its outstanding design and excellent functions it is perfect for high standard modern kitchens. The irresistible attribute of this tap is its user-friendly elegant front operation. Moreover, the raised outlet allows for more freedom of movement in the sink. The patented rotating bearing guarantees exceptional durability. The swivel outlet is also thermally insulated.
