

Top 33

Pull-out chopping board with cutlery tray

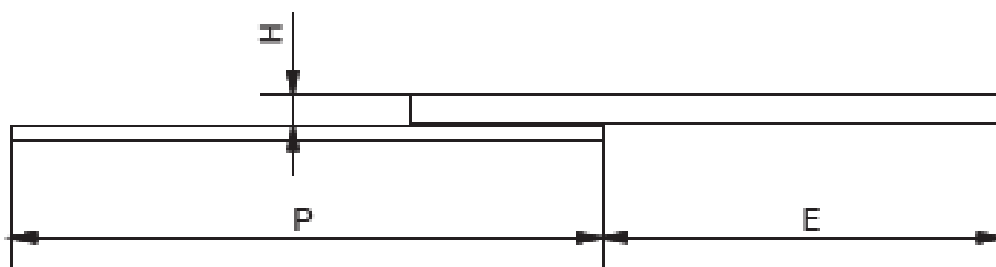

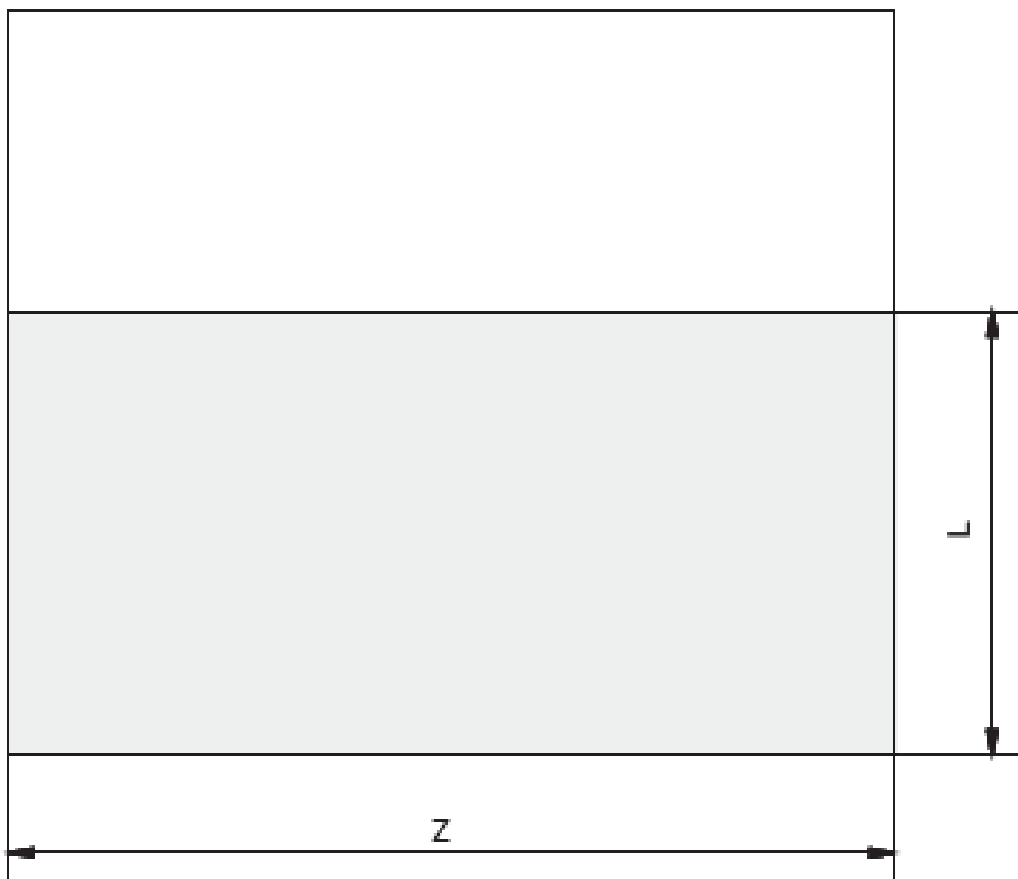

- **Top 33** is a **sliding table top** with a huge load capacity (up to 60 kg) and **minimum thickness: only 33mm**
- Thanks to this **system of aluminum guides** it is possible to conceal the worktop (possibly also composed of burners, sink, etc.) giving the kitchen a **clean and modern design**
- Smart and practical solution to create a versatile and organized kitchen environment, no matter the available space.
