Wind is characterised by compactness and elegant design. Combining the highest levels of performance with smooth and perfectly controlled movement, **Wind** is small, unobtrusive and elegantly designed. This compact lift system has strong functional appeal and takes up a minimum of valuable storage space. **Wind** is versatile and suitable for a vast range of furniture applications: office furniture, kitchens, bathrooms, living- and bedroom furniture. With an optional carrier, **Wind** can be used in corner cabinets and for doors of large weight and dimensions. This system incorporates a soft close mechanism for decelerated closing or the Push self-opening system for handle-less doors. **Wind** is available in numerous attractive finishes.
