

## Blade

Pull-out chopping board with cutlery tray

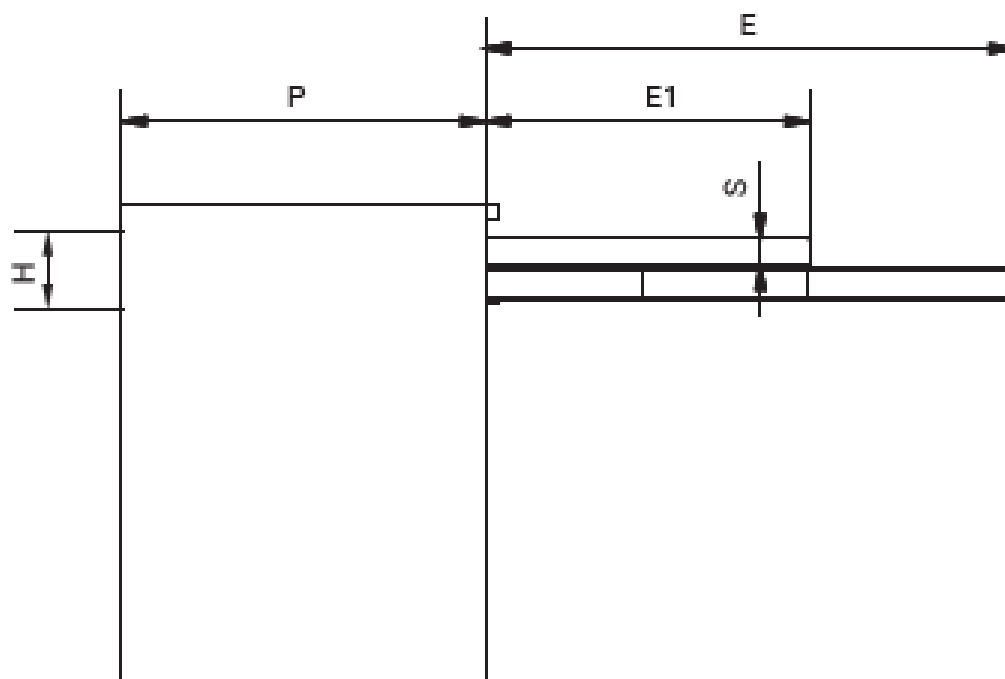

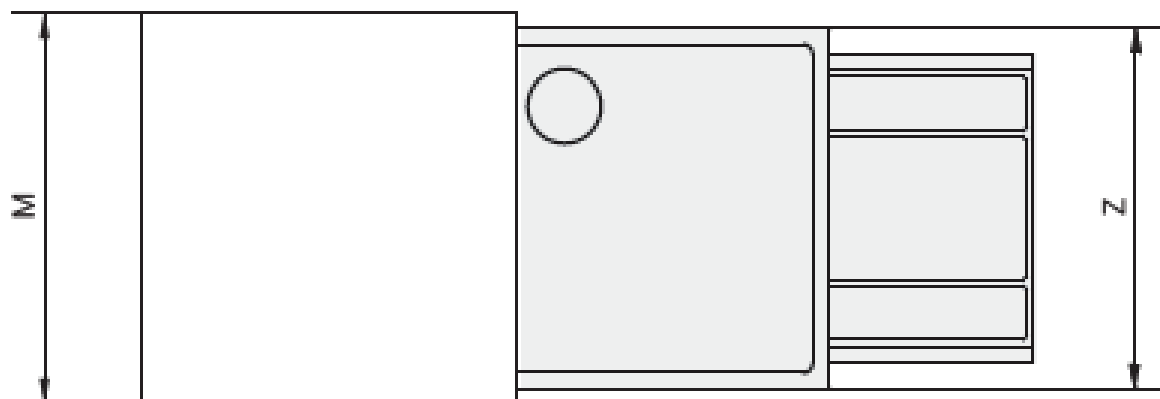

- **Knife holder, pull-out cutting board, equipped with a mixer or a waste bin:** one system, a thousand possibilities of use.
- **Blade** adds a new solution to the Trasformabili series of multifunctional mechanisms, created not only for the **optimization of spaces**, but also for an increasingly **practical and intelligent home experience**.
- The system creates a workstation dedicated to the preparation of meals that is revealed only when necessary: **it is always possible to access only the cutlery tray, or open the entire large cutting board** and its aluminum basket – both **completely removable for easy cleaning**.
