

# PRIME city

arwa-quadriga

- Projection 225 mm
- Swivel mounted
- Pull-out spout available
- Chrome line

**arwa-quadriga** - Perfect practical design. The clear modern lines create a stunning impression at first glance with their timeless distinctive looks. The control element can be optionally positioned on the left, right or at the front. The ultra lightweight pull-out outlet is thermally insulated. In addition, the double-coil metal hose with specially woven inner hose is particularly resilient and easy to handle.
