**Attractive**

The new design without radius and gradations fits harmoniously into the design of leading systems.

**Evident**

A sturdy design, coupled with hygienic polystyrene, results in a durable and easy to clean product of high quality.

**Accessories**

**SKY Cutlery inserts**

lead the design elements of the MOVE cutlery inserts consistently. With higher and wider dividers it is an ideal combination for the new concealed drawer side.

The combination of fixed elements and movable dividers for multi-purpose compartments compliments the design and flexibility in the organization of kitchen drawers.

**Made in Germany**

Using the very latest machines and tools, our dedicated staff with years of experience work towards a common goal: to produce the optimum product to meet your application requirements.
