Müllboy Big

Waste Bin

- swivels right out of the unit, making it easy to drop in waste from above
- No-mess solution
- Generously-sized bin for complete filling of waste bags
- Bin easy to remove and replace, allowing for easy cleaning of unit and bin
- Sturdy metal container allows waste to be pressed down firmly
- Waste bags of various sizes can be clipped in easily for waste separation
- Bin bag rolls can be stored on the lid
- Anthracite Finish

TECHNICAL CHARACTERISTICS

➔ Durable, maintenance-free technology
➔ Door catch and bin couple automatically
➔ Comes with drilling template for easy mounting
➔ Ideal for retrofitting and taking with you every time you move house
➔ Smooth, silent movement
➔ Low number of variants, as Müllboy can be fitted on right or left and is independent of side panel thickness and hinge type
➔ Available in two heights, Müllboy fits under any sink, providing certainty during the planning/design process
➔ No strain is placed on the hinges, so no subsequent servicing or warranty work is required
